# Osrs fossil island woodcutting

I personally just sunk the damage the first time I got to the mushtree, I did 40 damage, but I didn't have to do it 3 purpose again. Don't forget your rake and your anti-poison! The HP cover can be replaced or complemented with a regeneration bracelet or the fetish of dreams.MÅ ©Todo Mud Chucker: It's very easy to get the way to sculliscep mushrooms. I'm sure I've been enjoying the homes of birds a lot since you didn't demystify them. He goes the same way every time. I hope you're not blessed with ringesus with beautiful sets of 3six!eincPosts: 466Reputation: 34 Age: 26Date of entry: 2017-02-18 by Moon Light Wed Apr 25, 2018 2:02 am Another 3 Island Guide!? Sorry it took me so long to finally get around to it GoatsPosts: 675Reputation: 28Date of registration: 2017-03-11 by Bear Thu May 03, 2018 20:42 pmAh very nice, very useful. However, as soon as one is cut, the 3 will appear ready to be cut. This one on the cutting of the Sulliuscep Mushroom. However, you should not keep 9 basic mushrooms before you end the route, because it allows you not to use the bouncing mushroom without any damage. Nice guide, I will definitely use this if I decide to experiment them. Gear: While cutting the mushrooms are easy, getting from one to the other is quite dangerous. It was easy to follow/understand. I described the path here. There are some vines and roots that you will have to cut or anchor, hence the rake. The method for cutting the mushrooms is really just chop and drop. Thanks ein, I will make use of these one day. I didn't think they were amazing at first, but the more I did it and simplified my run/bankroll and learned the route, where to click, what to cut, it looks so smooth and simple, great XP and fossils. You must have the mushrooms before you use the jump, because they leave after you land, so plan accordingly! Mushrooms BouncyPrestockCollection of fossils exclusively from cutting these mushrooms.
